

WB LIFT PROCEDURES. Adults.

- Employee must follow the general lift riding guidelines and SOP's (maintain 2 seats between unrelated parties)
- On Olympic and Magic chair, if the instructor feels like they need to ride with a guest for safety reasons they need to be separated by one seat. This should only be done in extreme circumstances.
- If a Whistler kids instructor needs help uploading their class, it is expected that the adult or private instructor will help the Whistler Kids group, instead of riding with thier guests.
